JOHN T. BUCKLEY,

ST. CLAIR STREET.

HERE TO STAY.

Mr. D. C. Crutcher, One of the Most Enterprising Merchants Doing Business Here,

Has Purchased a Mammoth Stock of Splendid Goods for the Fall Trade,

And Will be Found at His Old Stand for Years to Come.

If any one has been under the impression that the only original D. C. Crutcher, the enterprising clothier and dealer in boots, and shoes, is going to leave Frankfort he is laboring under a misapprehension, for that gentleman is not only going to remain here, but is making arrangements to do a larger business than ever, handling a finer line of goods than has ever before been offered to this community. As evidence of which, we give below the substance of a conversation the ROUNDTOWN had yesterday morning with three commercial evangelists, representing three of the leading clothing houses in the United States, viz: Mr. John A. Faust, one of the firm of Feshheimer, Fishel & Co., of New York, Mr. Oscar R. Taylor, representing Hackett, Carhart & Co., and Mr. S. Uhlman, representing Naumburg, Krauss & Co., of the same city. These gentlemen made a special trip to this city to sell Mr. Crutcher his fall stock, and their lines are known throughout the entire country as being the highest grade of goods in the cloth trade. They stated that Mr. Crutcher had decided to purchase for the coming season one of the largest and most elaborate stocks of goods which, during an experience of twenty-five years, they have ever known to be sold in this section. For taste in selection and elegance of style it is unsurpassed. They said they admired Mr. Crutcher's foresight in ordering such a stock, as it requires considerable nerve at this time to do so, but that he is in touch with the rebound of the times, is confident that business prosperity is coming in the near future and is but preparing to meet it, by having an elegant stock of higher grade of goods than has ever been shown in this market on hand. Mr. Taylor said the line of children's goods carried by Hackett, Carhart & Co. is known the world over, that his house has three retail stores on Broadway, New York, in which these goods were sold, and that

Mr. Crutcher had purchased as fine a line as is carried in either of these houses. Thus it will be seen that our own Dallas has the business sagacity to foresee the good times coming and the "get-up-and-get" to be ready to take the crest of the wave when it strikes and sail on to prosperity.

Frankfort needs more of such enterprising merchants to put life into the sluggish veins of business and make things hum—men who are not afraid to "reach out and lead" and blaze the way for their slow going neighbors.

Matrimonial.

LUTKEMEIER-SOWER—Mr. Frank J. Lutkemeier, of this city, and Miss Katie E. Sower, of Brazil, Indiana, were married at the Catholic Church in that place Thursday morning. PALIN-WHITE—Mr. James M. Palin, of Georgia, and Mrs. Nannie White, of this city, were married Tuesday afternoon. The bride has for several months been the assistant operator in the telephone exchange, having come here from Lexington to take the position. The newly wedded pair left Wednesday for their future home in Atlanta.

Jack Church and a sister of Mr. Campbell Steele, of this city. She was born in Virginia nearly 87 years ago and removed to this county with her parents when but six years of age.

Picnic at the Park.

On Thursday of next week the Second Regiment Band will give a picnic at Thorn Hill Park, at which amusements of all kinds will be provided, and lots of fun and a pleasant day are promised to all. The proceeds will be for the benefit of the band and tickets to the grounds should find a ready sale, for in purchasing a ticket you aid a worthy enterprise. Frankfort should have a first-class band, such as the managers propose to give us, and they ask your encouragement in their efforts.

Money Talks.

Senator William Lindsay spoke at the Opera House Thursday evening upon the subject of Sound Money and Senator J. C. S. Blackburn spoke at the same place last evening upon the subject of Free Silver. Each gentleman had a large crowd and a respectful hearing.

State Teachers' Association.

Teachers and others who want to attend an interesting meeting and enjoy a short visit to the Capital of the Blue Grass country, should make a note of the forthcoming meeting of the Kentucky Educational Association at Lexington, on July 1st, 2nd, and 3rd. The railroads of the State will sell round trip tickets at one fare for the round trip, good until July 5th. This will enable those who so desire to remain in Lexington over the Fourth and attend the Lexington Chautauqua, which has an unusually attractive program for that day, including T. DeWitt Talmage and General John B. Gordon as lecturers. Such a combination is not often found, and no teacher can well afford to miss this meeting.

The program of the Educational Association is full of important topics to be discussed by able speakers. The meetings will be held in the A. and M. College Auditorium, and Lexington will do her best to make the meeting attractive to all who attend. Present indications point to this as the best meeting the Association has had in a long time, and the location, the time, and the program combine to insure success. Every teacher in the State who can possibly do so, ought to attend and take a part in the proceedings and thus help on the great advance movement in education. We trust our section of the State may be fully represented by live wide-awake teachers, for it is only such that attend these educational gatherings and reap the benefits accruing from them.

Excursion to Toronto.

The railroads will give an excursion rate to Toronto, Canada, during the meeting of the Pan-American Congress on July 18th to 25th.
